

Animatics

1

One cow jumping over the moon

2

Two pigeons bright and gay
They flew from me the other day

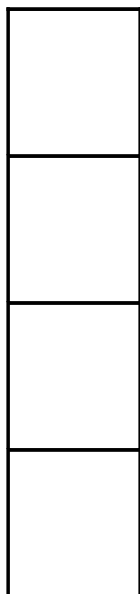

3

Three little kittens
They lost their mittens

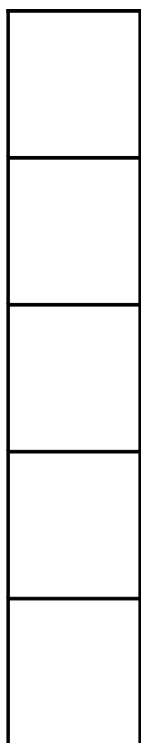

4

Four little ducks went swimming one day
Over the hills and far away

5

Five little monkeys jumping on the bed
One fell off and bumped its head

6

Six little mice sat down to spin
Pussy passed by and she peeped in

7

Seven little pigs rolled in the mud
Squishy, squashy, felt so good

But before that I'll have to ask
How many animals are in the task?
